Source: Ministry of Interior.

1. Definition

Infiltrators are persons who entered illegally into Saudi Arabia's territory.

Arrests are made by border guards, by the police, by the Passports Department

and by the General Administration of Mujahideen (Interior Ministry).

2. Institution which provides data

Ministry of interior

3. Data availability

Monthly figures for irregulars' arrests and deportation were put online on the Ministry of Interior's website (chapter "Security News"), until July 2015. Figures were computed by Hijrah months, in Arabic only.

As of 21 September 2015, deportation and arrests' records are still unavailable online.
