Nationality of the person is defined by the passport used to enter the country. A Non-Bahrainis is considered as such depending on the passport used to enter the country (or obtain the visa).

Period of reference for employment refers to the 7-days period prior to the survey.

Population of reference in table: all employed individuals (nationals and non-nationals) aged 15 and above

Employed population includes population in the following categories:

Employer is defined as a person who operates his / her own economic enterprise or engages independently in a profession for trade and hires one or more employees.

Self-Employed is defined as a person who operates his / her own economic enterprise or engages independently in a profession or trade and hires nobody.

Paid Employee is defined as a person who works for a public or private organization and receives regular wages/salary whether in cash or in kind.

Unpaid Employee is defined as a person works for an enterprise, usually owned by some of his relatives, without receiving regular wages/salary whether in cash or in kind.

Marital Status refers to the personal status with regard to marriage/divorce laws and customs.

Overall definitions for the Censuses of 1981 are not available on the CIO website. However, the 2001 censuses used the following definitions:

Never married refers to a person who has never been in marital life before or a person who has a civil contract but is not living with a partner.

Married refers to a person who is legally married with respect to marriage laws and customs.

Divorced refers to an ever married person but not currently married, whose marriage was dissolved by divorce.

Widowed refers to an ever married person but not currently married, whose marriage has been dissolved by the death of the spouse.
