ANNEXED NOTE

1. Technical Notes and Definitions

The table provides data for Bahrain's resident population by nationality (Bahraini and non-Bahraini) by sex and marital status at date of 2001' census.

Reference period for Census 2001 is April 7th, 2001

Population of reference: all individuals (nationals and non-nationals) present within Bahrain's borders during time of reference, be they permanent or temporary residents.

Nationality is the person's passport country. A Non-Bahrainis is considered as such depending on the passport used to enter the country (or obtain the visa).

Marital Status refers to the personal status with regard to marriage/divorce laws and customs.

Never married refers to to a person who has never been in marital life before or a person who has a civil contract but is not living with a partner.

Married refers to a person who is legally married with respect to marriage laws and customs.

Divorced refers to an ever married person but not currently married, whose marriage was dissolved by divorce.

Widowed refers to an ever married person but not currently married, whose marriage has been dissolved by the death of the spouse.

2. Institution which provides data

Central Informatics Organization, known prior to 2001 as the "Central Statistics Organisation" under the Ministry of Cabinet Affairs
