## ANNEXED NOTE

### 1. Technical Notes and Definitions

This table shows the non-Bahraini residences by nationality group, sex and reason of residence in the census of 1991.

census year	reference period	implementing institution	implementation method	population covered
1981	November 16	Ministry of Finance Statistics Department	field interviews	all individuals (nationals and non-nationals): 1- present within the country's borders during time of reference; 2- residing in Bahrain irrespective of where are they at census times
1991	April 6		field interviews	
2001	April 7	Central Informatics Organisation (CIO)	field interviews; characteristics of population in collective households (among which labour camps) was obtained from sponsors based on administrative records	
2010	April 27		administrative records	

**Nationality** of the person is defined by the passport used to enter the country. A Non-Bahrainis is considered as such depending on the passport used to enter the country (or obtain the visa).

Note that some of the sub-totals on the CIO table do not match those as they appear in this table. The figures of the males and females are considered fixed and added accordingly.

### 2. Institution which provides data

Central Informatics Organization, known prior to 2001 as the “Central Statistics Organisation” under the Ministry of Cabinet Affairs.

### **3. Data availability**

Figures and results reported here are available on the Central Informatics Organisation (CIO) website: (<http://www.cio.gov.bh>)

CIO figures and results are often reported in tables in both PDF and Excel formats.
