Article (1)

The establishment will be considered as a high-risk establishment if one of the following situations occurs:

- a) Delay in paying workers' wages in establishments employing 50 or more workers in accordance with the periods and procedures mentioned in Cabinet Resolution No.43 of 2022 referred to.
- b) Occurrence of more than one case of labor cessation or a collective dispute during the last (12) months, due to the establishment's breach of its legal or contractual obligations.
- c) Existence of 30% or more of labor complaints out of the total number of workers registered in the establishment referred by the Ministry to the judicial authorities, due to the establishment's breach of its legal or contractual obligations.
- d) Existence of more than 30% of expired work permits out of the total number of workers registered in the establishment, which was not renewed within the stipulated period specified by Cabinet Resolution No. 21 of 2020
- e) Existence of more than 30% of work cessation out of the total number of workers registered in the establishment.

Article (2)

- a) The high-risk status is removed from the establishment as soon as its status is regularized, and violations mentioned in Article (1) herein are settled.
- b) The high risk status will be lifted from establishments falling under the situations mentioned in clause (e) of Article (1) herein, provided that there are no reports of work interruption within 12 months.

Article (3)

This decision shall be published in the Official Gazette and shall come into force on 1st of June 2022.
