Population of reference: all individuals (nationals and non-nationals) residing in the Kingdom during the period of reference.

The ultimate sampling unit is the household.

(a) Household and household members: A person or group of persons, related or not related, who share housing and food.

Servants, drivers and similar categories are considered to be part of the household if they live in the same housing unit.

(b) Employed person: A person aged 15 years and above who worked during the reference week for at least one hour for pay or profit, or who had a job but were temporarily absent from work.

Employment refers to people who during the reference period:

- worked for one hour or more for wage or salary, in cash or in kind
- worked for one hour or more for profit or family gain, in cash or in kind
- worked for at least 15 hours without pay on a family business or farm
- did volunteer work

Reference period for employment: The seven days preceding the interview date.
