Populations away from usual residence in Qatar for reasons of duty, or on a visit abroad for less than two months, as well as individuals with no personal housing within Qatar staying with a household for more than two months, are counted in their usual/ present residence during census night.

Population of reference: all individuals (nationals and non-nationals) present within the State's borders during time of reference, including in labour camps.

Data related to work force include individuals of 15 years old or more (born before April 1995) and refer to the week preceding the enumeration period.

The employed population here also includes paid trainees.

Employed: The person (15 years or older) engaged in work or who works for profit, whether for his own account, for wages or for a family without being paid, during the week ending on 20/04/2010 provided that working hours should not be less than one hour during that week, and the sick, regular or other temporary leave should not be counted in the absence days.

Trainee getting a salary: The person (15 years or older) who joins any of the training institutes, whether morning or evening study, and gets a salary during the training period

Economic activities are categorised according to ISIC(Rev. 4) international classification of industries.

3. Data availability

None of Qatar censuses or other sources have ever disclosed figures of total

population broken down by country of citizenship or even by nationality (Qatari/non-Qatari).

For 2010 data have been collected but remain withheld. The census only provides detailed data on population 15 years and above by nationality.

Released parts of census are available on the website of the QSA, in published form in PDF format.
