1- Definitions and remarks:

Non-nationals are:

- 1- persons bearing nationality of a foreign State other than the GCC State of residence, or bearing no proof of nationality from any given state (stateless persons and holders of refugee status and travel document in a third country) ;
- 2- Holders of residence permit residing in the given GCC country at date of census, as per definition of residence used in each of the countries.

Employment refers to: all persons of working age (15 and above), who during a reference period worked to produce goods or provide services for pay (cash or kind)

or worked for profit from their own (or partially owned) business or worked without pay in the family business or with other individuals.

It also includes those who have a temporary absence from a job during the reference period due to vacation or illness or any other reason.

Kuwait: 2015 data.

Oman: Employment data does not include those employed in the Defense, Armed Forces, and Police (Military) in the governmental sector.

UAE: No data available.
