### ANNEXED NOTE

# 1. Characteristics of data and definitions

The source of data used here is the Public Authority for Civil Information (PACI), an independent government body in charge of:

- 1- centralising all population and labour force data in order to manage a fully computerised population register
- 2- issuing mandatory civil identification cards to every resident of the country, regardless of age and nationality.
- (a) Kuwaiti: the Kuwaiti nationality rests upon a document of Kuwaiti nationality or a certificate proving Kuwaiti nationality issued by the Ministry of Interior of Kuwait.
- **(b) Non-Kuwaiti:** his/ her nationality is determined by the name of the State having issued the passport. The foreign national also entered Kuwait legally and has a stamp of residence.

The Biduns, stateless persons living in the Emirate, are counted with the non-nationals.

- (c) Employed population in the labour force: population aged 15 years and above, in paid employment in the government or private sector, as itinerant worker, or in the domestic sector.
- (d) Government sector: any organization of the government (organizations, authority and departments), included within the state budget (Ministries and government departments; authorities with attached budgets; authorities with independent budgets).
- (e) Non-governmental sector: any part of the private sector (a company or an

individual) or any authority of the non-governmental sector.

**(f) Domestic services sector:** the household/ family sector, where the work is associated with the residence and its inhabitants, their service and their comfort (including maids, nannies, cooks, drivers, etc.).

Note: figures of expatriates may differ slightly between PACI's various sources of data (database; tabulated data) and topic covered.

## 2. Institution which provides data

The Public Authority for Civil Information (PACI)

## 3. Period of data coverage: December 2018

The database is updated three times a year and the website presents only the most recent data.

# 4. Data availability

The statistics section of PACI's website ("Statistical Reports") (http://stat.paci.gov.kw/englishreports/ (English); http://stat.paci.gov.kw/arabicreports/ (Arabic)) provides population and socio-economic data broken down by nationality (Kuwaiti/ non-Kuwaiti). Some data are displayed by nationality groups. Analytical tables and data crosstabulations are available for download in PDF, html, .png and Excel (.csv) formats.
