1. Definitions

Ministry of Interior's (Directorate of Migration's) annual records of residency permits granted to foreign residents by type/ purpose of permit, sex and regional origin of holder.

Data presented in the table are stock data: non-national residents holding a residence permit on December 31st, the given year (residencies delivered for the first time a given year+residencies renewed that year).

Residencies are valid for 1 to 5 years.

The present figures include permits delivered for the purpose of residing in Kuwait, as a worker's family member.

A working wife cannot sponsor her husband as a dependent. Sons over the age of 21 years cannot be sponsored as dependents, though adult daughters and

parents may be permitted. Dependent family members are not allowed to work on a Dependent Visa.

Every foreign resident including new-born babies must hold a residency permit.
