

Percentage of nationals and non-nationals in Gulf populations (2020)

■ % nationals

▨ % non-nationals

Source: National Statistical Institutes. Last data available as of 30 Nov. 2021.

*% of nationals and non-nationals: GLMM estimates, based on NSI publications (see corresponding table for methodology).

**Total provides the sum and ratio of population numbers at different dates. It is not exactly the total population at any of these dates.

UAE: 2019 data.
