ANNEXED NOTES

1. Technical Notes and Definitions

Reference period for Census 2010 is April 27th, 2010 .

Implementation method: the Censuses are carried out according to de jure methodology, i.e. counting persons using their usual place of residence irrespective of where are they at census times

Population of reference: all Bahrainis present within Bahrain's borders during time of reference, be they permanent or temporary residents.

Nationality is the person's passport country. A Non-Bahraini is considered as such depending on the passport used to enter the country (or obtain the visa).

Age is defined as the time span between the date of birth and the date of the census expressed in complete years.

Illiterate refers to a person who cannot read or write a brief, simple sentence about his/her daily life in any language.

Read Only refers to a person who can read only but cannot write, such as those persons who have learned to read the Quran.

Read and Write refers to a person who is 10 years or older and passed one of the classes within primary education, but has not obtained any certificate of any formal education. This is a person who has can write and read simple sentences about his/her daily life in any language. This includes a blind person who can read and write using Braille.

Primary education accepts children who are six years old and above, and comprises of six grades (1-6 grade). It also includes adults who are enrolled in literacy classes.

Preparatory education accepts students who have completed and passed primary education, and comprises of three grades (7-9 grades). It also includes adults who are enrolled in advanced fellow-up education.

Secondary education accepts students who have completed and passed primary education, and comprises of three grades (10-12 grades). It also includes adults who are enrolled in advanced strengthening classes.

Above Secondary/Diploma education accepts students who have completed and passed secondary education, and comprises of one or two additional years. The student obtains a post-Secondary diploma that is officially certified.

B.Sc. or B.A. education accepts students who have completed and passed

secondary or above secondary/diploma education.

High Diploma education accepts students who have completed and passed Bachelor's degree, and could be one or two years. The student obtains an officially certified diploma.

Master's education accepts students who have completed a Bachelor's or high diploma degrees, and could comprise of one or more years. The student obtains upon graduation a Master's degree.

Doctorate education accepts students who have obtained a Bachelor's degree with experience, or Master's degree or High Diploma, and comprises of two or more years. The student obtains a doctorate upon completion.

Not Stated or Unknown refers to a case where the interviewer does not know or is not certain of the highest level of education of the interviewee.
