ANNEXED NOTE

1. Technical Notes and Definitions

The table provides census totals of Bahrain's non-national resident population based on their reason of residence in Bahrain

Reference period for Census 2001 is April 7th, 2001 .

Implementation method: the Censuses are carried out according to de jure methodology, i.e. counting persons using their usual place of residence irrespective of where are they at census times

Population of reference: all Bahrainis present within Bahrain's borders during time of reference, be they permanent or temporary residents.

2. Institution which provides data

Central Informatics Organization, known prior to 2001 as the "Central Statistics Organisation" under the Ministry of Cabinet Affairs
Some of the calculated totals differ from the figures report by the CIO.
Total male and female figures are assumed as correct and totals are calculated accordingly.

3. Data availability

This data is available on the Central Informatics Organisation (CIO) website.
