ANNEXED NOTE

1. Technical Notes and Definitions

Period of reference: December of the given year.

Data refer to the foreign population employed in all sectors (governmental, private and domestic sectors).

Independent, own-account workers are classified in the domestic sector.

The top-9 most numerous nationalities are listed every year.

Original source of the data: Royal Oman Police (ROP) records.

2. Institution which provides data

National Center for Statistics and Information (NCSI)

3. Data availability

The data is available in NCSI's Monthly Statistical Bulletins (January of the year following the reference year).
