Oman (3)	December 2012	1.682.248	20,1	79,9
Qatar (4)	Q4 2013	1.541.754	6,1	93,9
Saudi Arabia (5)	June 2013	10.729.123	44,0	56,0
United Arab Emirates (6)	May 2009	3.137.000	7,1	92,9
Total*		20.121.913	29,6	70,4

Sources: national institutes of statistics, latest year or period available as of April 2014.

* Total provides the sum of population numbers at different dates between May 2009 and December 2013. It is not exactly the total population at any of these dates.

1- Definition:

Non-nationals are:

1- persons bearing nationality of a foreign State other than the GCC State of residence, or bearing no proof of nationality from any given state (stateless persons and holders of refugee status and travel document in a third country) ;

2- Holders of residence permit residing in the given GCC country at date of census, as per definition of residence used in each of the countries.

Employment refers to a person aged 15 years and above who during the reference period:

- worked for one hour or more for wage or salary, in cash or in kind
- worked for one hour or more for profit or family gain, in cash or in kind
