ANNEXED NOTE

1. Technical Notes and Definitions

The table provides data for Bahrain's resident population by nationality (Bahraini and non-Bahraini) by sex and marital status at date of 2010' census.

Reference period for 2010 is April 27th, 2010 .

Population of reference: all individuals (nationals and non-nationals) present within Bahrain's borders during time of reference, be they permanent or temporary residents.

Nationality is the person's passport country. A Non-Bahrainis is considered as such depending on the passport used to enter the country (or obtain the visa).

Marital Status refers to the personal status of a person 12 years or older with regard to marriage/divorce laws and customs of Bahrain.

Never married refers to a person who has never been in marital life until the date of the census.

Married refers to a person who is legally married with respect to marriage laws and customs at the time of the Census. This includes the person who is in his/her first marriage, even if marriage life has not begun yet, and those who are temporarily separated.

Divorced refers to an ever married person but not currently married, whose marriage was dissolved by divorce.

Widowed refers to an ever married person but not currently married, whose marriage has been dissolved by the death of the spouse, with the condition that he/she is not currently in a legal marriage, at the time of the Census.
