Abstract

The Prime Minister and Minister of Interior amended some provisions of the executive regulations (21) of 2015 regulating the entry, exit and residency of expatriates issued by the Minister of Interior's decision No. (25) of 2019. The change in the employment of expatriates will be under the relevant laws and regulations. An expatriate needs to notify the concerned department of the Ministry of Administrative Development, Labor and Social Affairs (MADLSA), and the change of employer must take place during the validity period of the residence permit or within 90 days following its expiration.
