These data on education have been found in the "Education" chapter of 2012's Statistical Yearbook.

QSA publishes Statistical Yearbooks available online, in Excel (certain thematic chapters since 2010) and PDF format, up to 1980's issue. However, recently they seem not to be published yearly as a complete volume and

thematic chapters are published separately.

Issues 1980 to 2009 are available on the Qatar Information Exchange website, accessible from QSA' website (English and Arabic website)
