ANNEXED NOTE

Students on scholarship are sponsored by the State of Qatar or by another body. The figures presented here do not take into account Qatar students abroad, living on their own expense, if any.

Institution which provides data

Qatar Statistics Authority

Data availability

These data on education have been found in the “Education” chapter of 2012’s Statistical Yearbook.

<https://www.mdps.gov.qa/en/statistics1/pages/topicslisting.aspx?parent=General&child=StatisticalAbstract>

QSA publishes Statistical Yearbooks available online, in Excel (certain thematic chapters since 2010) and PDF format, up to 1980’s issue. However, recently they seem not to be published yearly as a complete volume and thematic chapters are published separately.

Issues 1980 to 2009 are available on the Qatar Information Exchange website, accessible from QSA’ website (English and Arabic website)
