## ANNEXED NOTE

### 1. Technical Notes and Definitions

**Sampling frame** of LFS 2016 Q3: Population Census 2010.

**Sample size:** 33,325 households

**Reference period:** August 2016

**Population of reference:** All the members of the households selected in the sample, including domestic helpers and the like who live in one house; Saudi and non-Saudi population, living in the Kingdom at the time of the survey.

**Employed population:** People (15+ years old) who did one of the following jobs during the reference period:

1. People who have been working for at least one hour for a salary or a wage (in cash or in kind)
2. People who provided unpaid assistance for others for at least one hour in any type of business or farm owned by one member of the household;
3. People who have been working for at least one hour for others without a wage or a profit (in cash or in kind) as volunteers;

4. People who were temporarily absent from work throughout the week on leave for illness or for any other reason but they were scheduled to resume work. Workers include the students, job seekers, retirees, housewives, etc., who worked during the week preceding the visit for at least one hour, provided that this does not include household work.

**Reference period for employment:** The seven days preceding the interview date.

**Classification used for occupations is adapted from ISIC Rev. 4.**

## **2. Institution which provides data**

General Authority for Statistics (GASStat)

## **3. Data availability**

Labour Force Surveys conducted since 1999 are available on the website of GASStat, in Excel and PDF formats.
