Abstract

The Ministry of Human Resources and Social Development, in partnership with the Ministry of Interior has launched a regional localization program to increase the participation of Saudi men and women in the labor market in Jazan Province. They have signed a memorandum of understanding with the Emirate of the region and issued a decision to localize some economic activities in the area, in line with the localization strategy of the Ministry, with the aim of providing a suitable work environment for national human resources and expanding their participation with the private sector.
