1. Data collection methodology

The issuance of the residency and work permits begins with filing an application with the Ministry of Labor.

After its approval, the Ministry of Labour forwards the application to the Ministry of Interior for the issuance of the residency permit.

Classification used for occupations is adapted from ISCO 1988.

2. Institution which provides data

Ministry of Labour, now Ministry of Labour and Social Development (MLSD) (<https://mlsd.gov.sa/en/node>)

3. Data availability

Published in Ministry of Labour's Statistical Yearbooks MoL's Yearbooks until 2015 are no longer available on MLSD's website. The "open data" section of the Ministry's website (Arabic only) has the figure of work permits issued in 2016, by occupation category:
