Abstract

According to the Ministry of Human Resources and Emiratization (MoHRE), there are four distinct violations that have been identified. The first violation pertains to the breach of Cabinet Resolution No. 21 of 2020, including any amendments, which outlines the regulations surrounding service fees and administrative fines imposed by the Ministry. The second violation relates to the failure to provide appropriate labour accommodations in accordance with Ministerial Resolution No. 44 of 2022, which pertains to occupational health and safety and labour accommodation. The third violation involves allegations of human trafficking, and as such, the offending company has been suspended until proven innocent. Lastly, the fourth violation encompasses the abuse of electronic powers granted to the company, which could potentially result in the disruption of the Ministry's procedures.
