Source Ministry of Human Resources and Emiratisation (MoHRE), Cabinet Resolution No. 208 of 2022 ; UAE (18 Apr 2022) accessed: 08 March 2023.

Keywords UAE; Laws & Regulations; Policy; Labour

Abstract

The resolution outlines the conditions that classify an establishment as high-risk. These include delayed payment of worker wages, labor cessation or collective disputes due to the establishment's breach of obligations, labor complaints referred to judicial authorities, expired work permits, and work cessation. It also states that the high-risk status will be removed from an establishment once its status is regularized and violations in Article (1) are settled.
