Abstract

The Ministry of Human Resources and Emiratisation (MoHRE) has issued a new resolution, Ministerial Resolution No. 657 of 2022, which requires employers to report work-related illnesses and injuries and outlines procedures for recording workplace accidents and illnesses. The goal is to improve the occupational health and safety system in the private sector, identify risks, and settle associated problems. The resolution aims to increase productivity and efficiency by ensuring a safe working environment that promotes the psychological stability of employees
