Abstract

MoHRE constituted a grievances committee to address labour-related concerns. There shall be at least one monthly meeting of the grievance committee. The committee meetings are considered valid if most of its members are present. Within fifteen days of receiving a complaint or grievance, the Grievances Committee must make a decision. The committee will be comprised of a membership of representatives from the following organizational units; Labor Affairs Sector, Inspection Affairs Sector, Domestic Workers Sector, Financial Resource Department, Information Technology Department and Head of Litigation & Grievance Department as a member and rapporteur.
