## **Abstract**

In accordance with Art. 1 of this decision, workers of an established registered with the Ministry of Human Resources & Emiratisation shall be classified as 'skilled' if they work in a job that requires having a qualification that is higher than a secondary school certificate.

If workers mentioned in Art. 1 fail to meet its requirements, then they shall be classified as "with limited skill" (Art. 2).

Articles 3 & 4 specify the criteria for the classification of establishments under categories 1 and 2.

Article 5 lists the conditions under which the Minister may issue a decree classifying any establishment under Category 3, if it is established that it has committed one or more of the violations listed in the article.
