## 1. Definitions

“Temporary or seasonal visas are allotted for short-term and limited employment duration, for example for the provision of services during the Hajj season in Makkah and Madina, or in agriculture.

”

## 2. Data collection methodology

The labour visa allows the worker to enter Saudi Arabia. It is issued by the Ministry of Foreign Affairs.

In order to employ workers from abroad, the sponsoring company must first file a “Block Visa” request with the Ministry of Labor, requesting pre-approval to sponsor foreign employees.

Once the Block Visa request is approved, the sponsoring company in Saudi Arabia should obtain a visa authorization number and an electronic power of attorney authorized by the Ministry of Foreign Affairs in Saudi Arabia.

Foreign nationals may then apply for work visas through Saudi consular posts in their country of residence. Several documents are required before issuance

of work visas, including medical certificate.

Therefore, work visas are more than the actual workers present in the country, as some eventually do not terminate the procedure, or are rejected at a later stage (entry visa; residency procedures...).
