Abstract	
MoHRE made an amendemnt in Ministerial Resolution No. (47) of 2022 regulating labour disputes and complaints procedures. The amendment states that; if a labour dispute arises between a group of (50) workers or more and the employer(s), the workers and the employer(s) shall file a collective labour complaint through the channels specified by the Ministry in this regard, without prejudice to Article (32) of the Executive Regulations of Federal Decree-Law No. (33) of 2021.
